## CARITOOL EVO

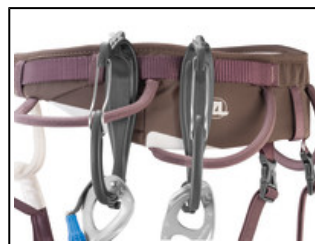

Universal, practical holder for ice screws and tools when mountaineering, ice climbing or multi-pitch climbing. It allows equipment to be organized, and ice screws to be stored and sorted quickly. An ice axe or hammer can also be attached and removed easily. Compatible with all types of harnesses, you can position as many as you like, wherever you choose, depending on the activity.

Carry up to six ice screws.

Position as many as you like, on any point, and on any type of harness.

Allows equipment to be organized and sorted on the harness.

---

**Short Description** Universal holder for ice screws and tools, suitable for all types of harnesses

---
