DJINN AXESS

The go-to quickdraw for a day at the crag! The DJINN AXESS quickdraw is durable, making it ideal for sport climbing. The DJINN carabiners have a wide contact surface with the rope and the anchor, optimizing rope glide and enhancing durability. The large size of the carabiners make them easy to use. The bent gate design allows you to easily clip the rope. The Keylock system helps prevent the carabiner from snagging when clipping and unclipping. It is available in three lengths (11, 17, and 25 cm) to adapt to different uses and better manage rope drag.

Short Description Durable quickdraw for sport climbing

Selling Points

- Great durability:
 - The carabiners have a wide contact surface with the rope and bolt hanger for better rope glide and increased resistance to wear
 - Durable sling with STRING to protect the webbing from abrasion
 - Excellent ratio between functionality, durability, and weight: 11 cm quickdraw weighs 103 g
- Easy to clip and unclip:
 - Large carabiners suited to bigger hands or for use while wearing gloves
 - Carabiners feature the Keylock system, designed to avoid snagging on a gear loop, anchor, or rope
 - Straight gate design offers an excellent grip and makes clipping and unclipping easier
 - Large straight gate opening makes the carabiner easy to use
 - Bent gate makes clipping the rope easier
 - Flat carabiner spine provides stability when holding it in your hand or pinch clipping
 - STRING quickdraw sling protector stabilizes the carabiner when clipping
- Available in three lengths: 11 (turquoise or violet), 17 and 25 cm

Specification

- Major axis strength: 23kN
 - Minor axis strength: 8kN
 - Open gate strength: 9kN
 - Gate opening:
 - 24 mm straight gate
 - 27 mm bent gate
 - Material(s): Aluminum carabiner, polyester webbing, TPE (thermoplastic elastomer) STRING
 - Certification(s):
 - Carabiner: CE EN 12275 type B, UIAA
 - Sling: CE EN 566, UIAA
-
