

Customized products and ready-to-use solutions

Petzl Custom is a service that allows you to customize certain products from our range. We're able to manufacture and assemble ready-made products to meet specific client and operator needs. Customizing colors can make it easier to identify client groups or adjust the size on a helmet, for example. Petzl Custom can customize PANGA, BOREO CLUB, VERTEX, and STRATO helmets, adventure park lanyards, and certain low-stretch and dynamic ropes, as well as the JAG RESCUE KIT.

To take advantage of Petzl Custom, simply contact your regular Petzl representative and place your order.
