CONCEPT

## TIKKID®

Easy to use and compact, TIKKID is the first Petzl headlamp designed for children. It has a flood beam that offers comfortable vision for reading or playing, indoors or out. The headband, releasable under tension, and the protected battery pack make it especially suitable for young children.

20 lumen flood beam preserves sensitive young eyes.

Access to battery pack is protected by a flat-head screw.

Headband is adjustable and releasable under tension.

---

**Short Description** Compact headlamp for children 3 years and older. 20 lumens

---

- Selling Points**
- 20 lumens of power in high mode to limit photo-biological risk and protect sensitive young eyes
  - Easy to use, with a single button
  - Three lighting levels:
    - low, for reading
    - high, for playing inside or outside
    - white strobe (20 lumens), to be visible from a distance
  - Headband is adjustable and releasable under tension
  - Access to battery pack is protected by a flat-head screw
  - Phosphorescent reflector is useful for locating the lamp in the dark
  - Automatic shut-off after one hour
  - HYBRID CONCEPT design: TIKKID comes with three standard batteries and is also compatible with the CORE rechargeable battery.
-
